**PURCHASE ORDERS** for gasoline and diesel fuel shall be sent to the vendor not later than three (3) days before the end of the price list period. Other purchase orders must be received by the vendor no later than June 30, 1998. It is the responsibility of each agency to insure that purchase orders are sent to the vendor on a timely basis. Vendor is not obliged to accept any order received after the price list expiration date.

Purchases from this price list are for supplies needed by the agency during the price list period. Do not issue purchase orders specifying delivery after the price list expiration date. (This excludes those orders received by the vendor towards the end of the price list period for which delivery may extend beyond the price list expiration date.)

Agencies are requested to order petroleum related products in drums, cans and cases as specified.

**BASE UNIT PRICES** for gasoline and diesel fuel purchases include delivery to destination and all costs incurred except the Hawaii General Excise Tax (**GET**), the Hawaii and County fuel oil taxes, and the Federal Excise Tax (**FET**).

For **gasoline** purchases the vendor will add the GET and the fuel oil taxes as separate line items to the base unit price. **Note that all agencies are exempt from the FET and that this tax will not appear on the invoice.**

For **diesel fuel** purchases the vendor will add the GET and the fuel oil taxes, and the FET if applicable, as separate line items to the base unit price. If an agency is exempt from the FET, pursuant to IRS Section 4221, Certain Tax Free Sales, the agency must request FET exemption form from the vendor.

Note that the GET shall not exceed the current 4% rate and shall be computed on the base unit price only.

**If prices are adjusted (maximum once a month), vendor shall provide written documentation of such adjustments to all delivery locations.**

**DELIVERIES** for gasoline and diesel fuel will be made within two (2) working days following receipt of purchase order unless the vendor coordinates with each agency a delivery schedule that is satisfactory to both agency and vendor.

Orders of \$25.00 or more for other than gasoline and diesel fuel will be delivered within seven (7) working days following receipt of purchase order. Orders less than \$25.00 will be available for "will call" pickup upon a three (3) hour notice to vendor, and delivered only at the option of the vendor according to normal delivery schedule.

**DRUMS OR BARRELS** which any product is delivered in shall remain the property of the vendor. Agency shall pay the prevailing deposit charge for each drum/barrel. Such deposit shall be refunded or credited to the agency without interest, if the drum or barrel is returned to the vendor in good useable condition. The vendor shall be required to pick up the drum or barrel delivered under this price list and to refund any deposit due after the end of the price list period.

**STATE'S COMMITMENT.** Pursuant to Section 3-121-6, HAR, agencies of the Executive Branch of the State of Hawaii, the University of Hawaii, the Department of Education, and the County of Maui will purchase all of their requirements of the products listed herein from the listed vendors. However, if the quality level or product design of listed items is not suited to an agency's purpose, an exception to this commitment may be granted to such agency by the Chief Procurement Officer of the State Procurement Office.

To obtain an exception, agencies must submit SPO Form-5, *Request for Authorization to Purchase Outside of the State Procurement Office Price List*, justifying the exception.

**VENDOR** is obliged to deliver the items on this price list. Agencies are advised that if an order is placed and a vendor is unable to deliver within the time allowed for delivery, the agency should arrange with the vendor for delivery of an acceptable substitute at the price listed, upon prior approval of the ordering agency.

**INVOICING AND PAYMENT.** Vendor shall forward an original and three copies of the invoice directly to the ordering agencies.

Section 103-10, Hawaii Revised Statutes, provides that agencies shall have thirty (30) calendar days after receipt of invoice or satisfactory completion of contract to make payment.

**"SPO PRICE LIST NO. 97-61"** is to be typed on purchase orders along with delivery address and name and number of requisitioner on purchase orders issued against this price list.

**QUESTIONS** relating to this price list may be directed to Mr. Alvin Washiashi, State Procurement Office, telephone (808) 586-0571.
